

Guillem Farriols

Software Engineer

Currently a student of Computer Engineering at the University of Lleida (UdL), I have always had a profound interest and great passion for informatics, particularly programming. My current focus is directed towards research in artificial intelligence and cybersecurity, with the goal to become a professional in this field and pursue a Master's degree in cybersecurity in the future.

Work Experience

Warehouse Operator
2019 - 2021

I worked for two summers loading and unloading and packing orders at Tomecanic.

Construction Worker
